North Easton, Mass.

Sept. 20th, 1923

My dear Dr. Lane:

Your letter of the 18th, came yesterday. Yes, I received the number of the Proceedings that contains obituary notices. I have delayed sending in a sketch of Dr. Goodale's life as I had hoped to be able to read Jackson's biographical notice which is to appear in the September issue of the Harvard Graduates' Magazine. Just as soon as the September number comes in I will finish my work and send the manuscript to the Academy.

Yours sincerely,
